

02

Decomposition.

- Decide on the list of sites visit.
- Food.
- Trip and Transport.

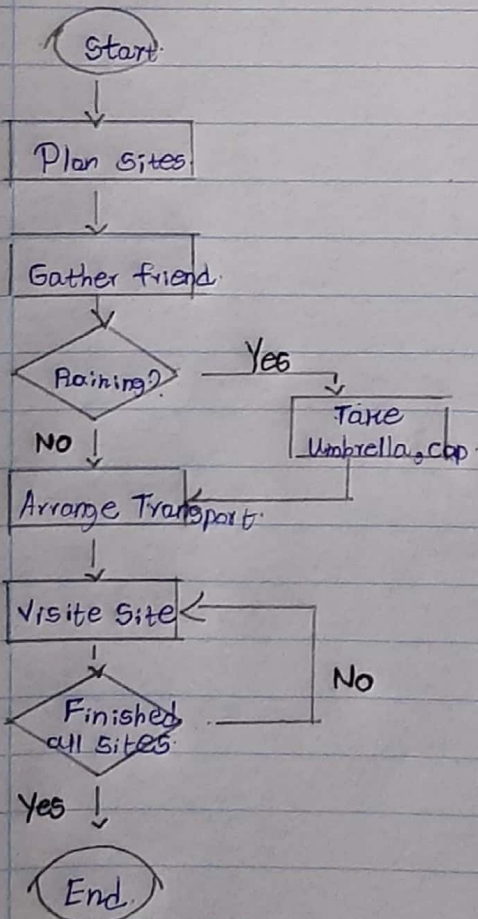

Pattern Recognition.

- Timing (When to leave).
- Transport (bus, van)

Abstraction.

- Trip participants.
- Money for Costs.
- Extra visit.

Algorithm Design.

01

Decomposition.

- Decide to go to work place.
- Transport.

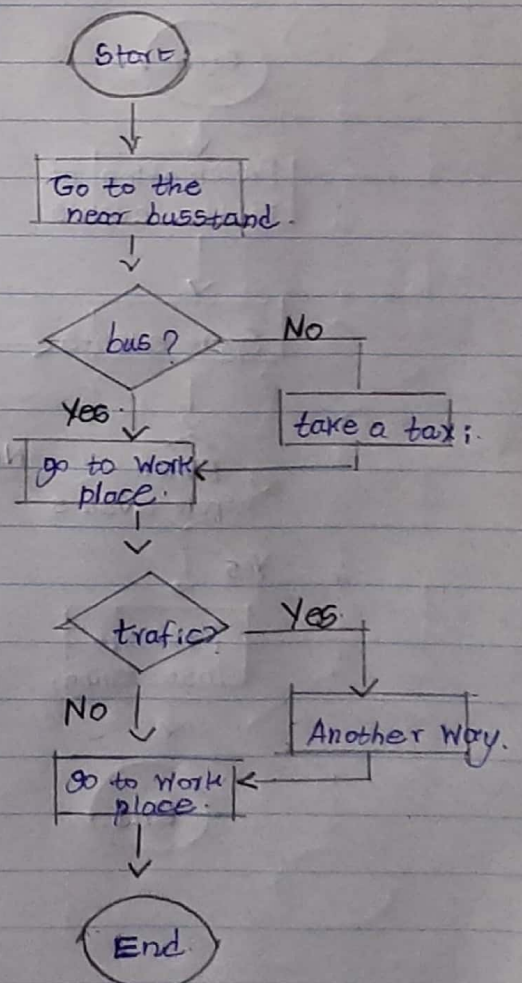

Pattern Recognition.

- Mode of transport.
- Traffic.

Abstraction.

- Extra transport.
- Extra road.

Algorithm Design.

03

- Decomposition.
 - Create a plan for that day.
 - Informed about sportmeet.
- Pattern Recognition.
 - Timing / date.
 -
- Abstraction.
 - invite to guest.
 - Extra events.
- Algorithm Design.
